St. Louis, MO (January 16, 2026) Warson Brands will preview its latest tactical offerings at SHOT Show 2026, taking place January 20-23 in Las Vegas. Attendees are invited to visit Booth #13654 for an exclusive first look at new tactical footwear from Reebok Work and Volcom Tactical.

A key highlight at the booth will be the Reebok **FuelFlex Tactical** series, engineered to retain its shape over long distances while reducing weight and returning energy with every step. Paired with an aggressively flexible, slip-resistant outsole, **FuelFlex Tactical** is built to move naturally while maintaining traction and stability in demanding environments.

Select versions of the Reebok **FuelFlex Tactical** also feature the **BOA® Fit System**, delivering a micro-adjustable, precision fit engineered to perform in the toughest conditions.

Alongside Reebok Work, Warson Brands will showcase **Volcom Tactical** footwear, inspired by Volcom's action-sports legacy. Built to perform across dynamic environments, from urban settings to tactical missions, the collection blends rugged construction with a lightweight, athletic feel.

In addition to the product showcases, attendees can take part in an interactive Spin-to-Win experience at the booth, celebrating Warson Brands' latest **BOA® collaboration**. Registered participants will have the chance to win exclusive discounts, swag, and even free boots.
